Template for Householder policy - Working out Sum insured for Contents

(You may put the values for various items in the respective areas mentioned in the template below so that the total may represent the value of contents. As a thumb rule for Major cities like Metros the value of contents can be approximately taken as the built-up area multiplied by Rs.175-200 .For other places it may be approximately Rs.125-150 per sq. ft. Please note that this approximation is not taking into account Computers or Jewellery or other such valuables)
